

**Exploring Healthy Tastes
Feeding Camp for Children and their Caregivers
Summer 2024**

Brazos Valley Rehabilitation Center is excited to offer a Feeding summer camp for children ages 3-12. Each camp has a maximum number of 5 participants. These camps will be provided by licensed Speech-Language Pathologists, Occupational Therapists, interns and further enhanced by professional counseling in the area of food aversion by a Licensed Professional Counselor.

This Exploring Healthy Tastes camp is designed for children with feeding difficulties and their caregivers. Your child may benefit from this camp if they:

- have difficulty with new foods or textures
- have been described as a picky or problem eater
- have difficulty sitting through meals

Each session, children will engage in play-based therapeutic activities to promote their sensory processing, oral motor, and feeding skills. Parents and caregivers will observe the sessions and receive education to promote positive change in the home environment as well. All food items and materials will be provided.

This is a great way for your child to have fun, explore new foods, grow their skills, and develop friendships! **Deadline to register is Friday, May 17, 2024.**
